# Technical data sheet

## Towers

1. Screen compatible tool ladder

2. Configurable with matching work surface

3. Topbox option for Tower 2 or HighLine™ desk high pedestal

Customisation is key to the success of the Bisley tower pedestal range. What people store in and around their desks cannot be pre-defined and this pedestal is designed to adapt. The pull-out units reveal space for filing, desk accessories and all those personal items that would normally crowd the desktop or can simply extend the work surface. Once shut, the workstation is left totally free of clutter.

- Extensive colour palette
- Configurations to suit your application
- Optional work surfaces tool ladders and fabric pin boards
- Free storage for personal items
